

Dear Bison Parents/Guardians,

April 15, 2022

We are very excited that your son/daughter will be a part of our athletic programs and hope that they will be successful in all of their endeavors here. We want to help make this one of the most positive life changing experiences that your son/daughter will have.

In order to prepare for the 2022-2023 school year, I am requesting your participation in helping me attain the necessary information. The Tennessee Secondary School Athletic Association (TSSAA) and the Sumner County Board of Education requires that all student-athletes have a physical each school year to remain eligible for competition.

Station Camp Athletics will begin accepting the pre-participation physical forms for the 2022-2023 school year on **April 15th** and must be completed prior to tryouts and/or by the beginning of the 1st practice, weight training or conditioning session to ensure all student-athletes are eligible to participate during the upcoming school year.

Sumner County Schools Athletics utilizes FinalForms, an online forms and data management service. FinalForms allows you to complete and sign athletic participation forms for your student-athletes.

Newcomers: Register at: <https://sumner-tn.finalforms.com/> and electronically complete ALL forms.

Returners: Go to <https://sumner-tn.finalforms.com/>, log-in and select 2022-23 school year. Select sports participating in for the school year. Update any changes including medical history and sign/submit each form.

All student-athletes: The Physical Examination/Medical Eligibility Form from TSSAA must be signed by the physician and should be uploaded into FinalForms.

If you have any questions or concerns do not hesitate to contact me. If you should have any questions, please feel free to contact me at any time. Thank you and have an enjoyable summer!

With BISON PRIDE,

Andy Yarbrough, MEd, ATC, LAT
